

ST BRIGID'S
Catholic Primary School
EMERALD

Federal and State Governments acknowledge the right of parents to choose the school which best suits their children's needs for educational, religious, cultural, or other reasons. However, in comparison with funds spent on children in government schools, government funds committed to non-government schools remain limited. Your contribution through school fees is essential to the continued operation of your Catholic School.

Your school fees consist of Tuition Fees and School Building Levy set by CEO and school-based levies. School-Based levies are charges for curriculum resources, library books and printing levies. These levies are set by the School Board – to be no greater than 25% of the non-discounted tuition fees per student.
